

LIVE LIFE VIBRANTLY!

Higher level of contact lens wear and eye care

FILL

Filling Solution for Scleral Contact Lens Wearers

Our VibrantVue® Scleral Saline is a premium, FDA-approved scleral saline rinse and insertion solution for your patients offered in a convenient & cost-effective 3-month supply box.

- 0.9% saline (unbuffered)
- Single use, sterile 5 mL vials
- Travel-friendly
- Preservative-free

TREAT

Lid & Lash Care for Contact Lens Comfort & Dry Eye

Our VibrantVue® Lid & Lash Cleanser offers at-home prevention and maintenance to help your patients with contact lens intolerance and dry eye (MGD, Blepharitis, etc).

- Highly effective: Hypochlorous Acid [HOCl] (active ingredient)
- Most concentrated HOCl product available
- Non-toxic, non-irritating, non-sensitizing (hypoallergenic)
- Cost effective & value sizing for your patients

PROTECT

Hand Cleanser for all Contact Lens Wearers

Our Contact Lens Hand Prep by VibrantVue® offers your patients an extra layer of protection when handling their contact lenses.

- Highly effective: Hypochlorous Acid [HOCl] (active ingredient)
- No rinse formula, hydrates and freshens
- All natural, non-irritating, alcohol free
- Available in both 'at home' and 'on the go' sizes

TRAVEL

Specialty Lens Starter/Travel Kit

Our Specialty Lens Starter/Travel kit has everything your patients need to ensure they are ready to begin their specialty lens journey or take it a step further on the go.

Standard Kit contains:

- VibrantVue® Scleral Solution (6 5mL vials)
- Scleral Lens Inserter
- Scleral Lens Remover
- Lens Case
- Tangible® Clean Multi-Purpose Solution (3.4 fl oz)
- Clear Pouch with enough room to add additional items for your individual needs

Upgrade to our Premium Kit which also includes:

- On the go size of our VibrantVue® Contact Lens Hand Spray
- EZi Applicator ring, which allows for one-finger insertion & can be very helpful while on the go or for new scleral lens wearers
